

Energy Efficiency Investment

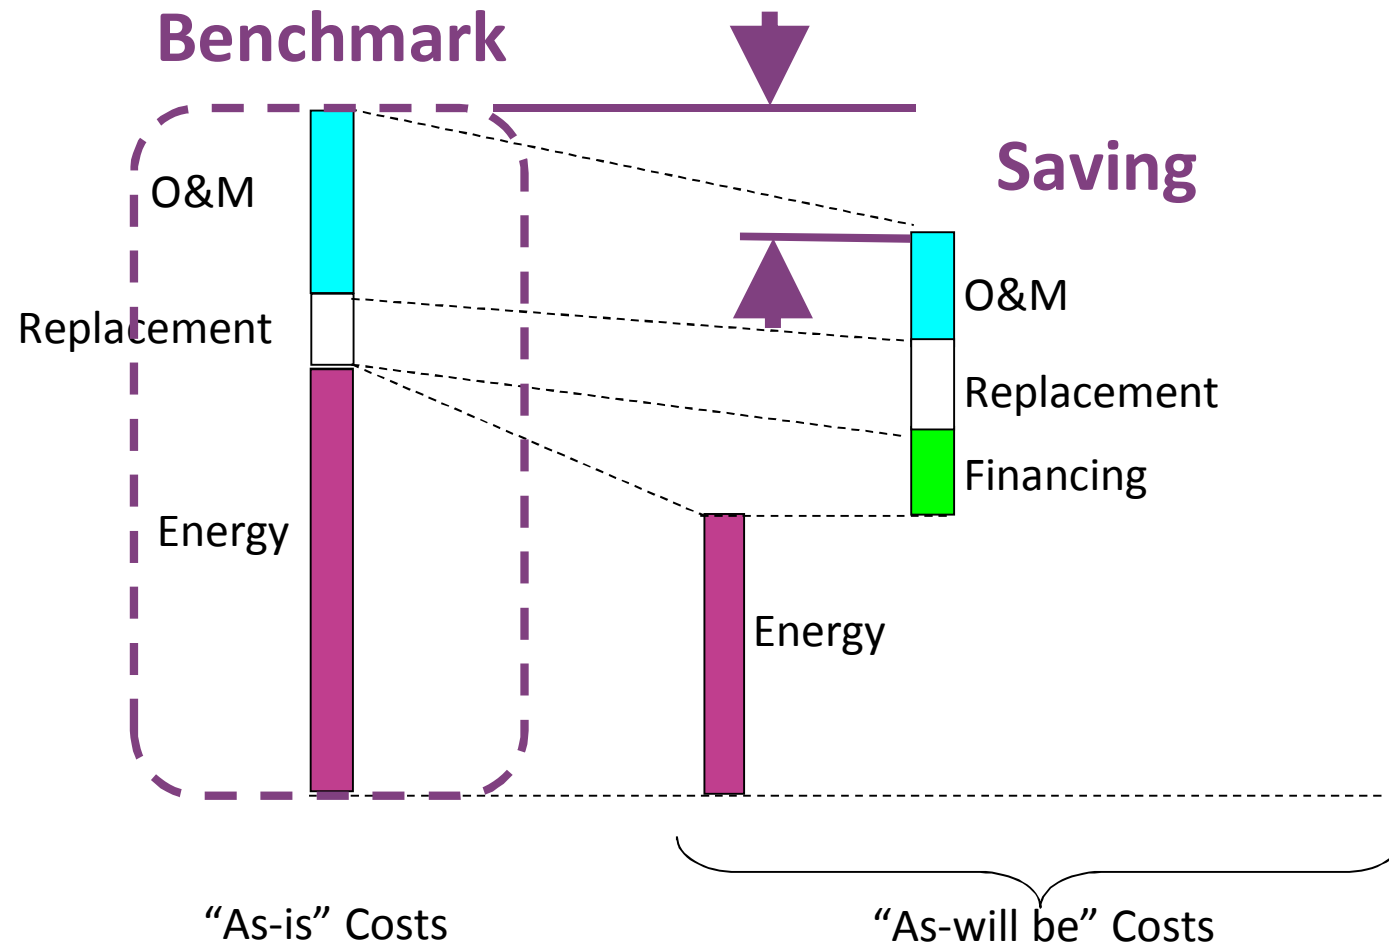

Mark Coyne,

Veolia & Chair of Ibec Energy Efficiency Working Group

Energy Efficiency Investment Benefit

Energy Efficiency Investment Risk

- Have I assessed the cost / benefits correctly?
- Do I understand my current energy use?
- Will energy prices rise / fall?
- Will the asset perform?
- Do I have the skills to operate and maintain the asset?
- Will the needs of my business change?
- Will it affect my production?

Energy Efficiency Investment Policies
