

**08:45** **Registration** Tea/Coffee

**09.30** **Introduction:** Rachael McFarlane,  
SFA Skillnet Network Manager

**09:45** **Keynote Presentation:** Raoul Empey,  
Climate Reality Leader and Trainer, Sustineo

Climate Change is the #1 threat to your business  
Raoul Empey was personally trained by former U.S. Vice President Al Gore to deliver this Climate Reality presentation, which is an up-to-date version of the Oscar-winning documentary 'An Inconvenient Truth'. It offers a highly visual and global perspective of the climate crisis packed with emotive imagery. Raoul adds his own perspective on the specific challenges and opportunities for Ireland.

**10:30** **Break and Workshop preparation**

**10.45** **Climate Action Workshop**

This Climate Action Workshop covers the potential impacts and opportunities facing Ireland, an overview of Ireland's policy and emissions, and an introduction to some of the supports available to businesses wishing to take Climate Action. By the end of this training, participants will:

1. Understand the potential impacts and opportunities facing Ireland
2. Have an overview of Ireland's policy and emissions
3. Reflect on what you might include in your business' Climate Action Plan
4. Know where to find the supports to start Climate Action planning for your business

**Facilitators:**

Raoul Empey,  
Climate Reality Leader and Trainer, Sustineo

Richard Morrison,  
Energy Management Consultant, Optien

**12:45** **Overview of Climate Ready Academy offerings:**  
Paraic Treacy,
